Capabilities Statement

MISSION:

Our mission is to provide industry focused solutions, while providing the highest level of client service from the most talented professionals in the industry.

CORE COMPETENCIES:

Headquartered in Arlington, Virginia, Ijaz & Associates is a small CPA firm providing industry focused accounting, audit, tax, outsourcing and advisory solutions. We combine our experience in these areas with a strong commitment to personal service that enables us to excel.

- Accounting
- Tax
- Consulting
- Federal Financial Management
- Financial Planning

DIFFERENTIATORS:

Our professionals always working effectively and efficiently to produce great long term value for our clients. Below are a few examples of how our expertise can provide value to you.

- We created, managed and delivered solutions for a multi-million dollar financial capability project under extreme time and budget constraints. Our team was organized and methodical in creating highly complex and technical financial models yet maintained an ability to communicate our methodology in a concise and easy to understand format. Our dedication and professionalism to the project and the client helped the team meet multiple deadlines and allowed the client to obtain its first ever clean audit opinion.
- Our team of tax professionals assisted a client move its business nexus from Virginia to a more tax-friendly state. The tax savings amounted to over \$120,000 over a 3 year period.
- We have helped numerous nonprofit clients become more efficient while also achieving a 25% cost benefit in the finance function by outsourcing their accounting and HR solutions to our Client Accounting team.
